## GOLD PACKAGE

### Training Management System:

access to an online environment for the management of learners, the learning activity and online assessments.

### e-Portfolio:

a flexible solution for NVQs (including PMO, PEO and BIT). This enables electronic upload of evidence and uses technology to make communication between learner and assessor more rapid, easier, and more flexible.

### e-CPD:

providing a number of e-CPD options for both individuals and organisations to develop their skills and understanding.

**PLUS ALL OF THE BENEFITS OF THE SILVER PACKAGE**
